

Chicago

Jesus People USA GROUP MISSIONS

Department:

Jesus People USA Group Missions facilitates urban mission opportunities in Chicago for school/church/community groups through Jesus People USA and Cornerstone Community Outreach (CCO).

Overview:

We offer a unique perspective on urban missions and social outreach that is supported by decades of communal living and ongoing work with the homeless in Chicago. Groups of all ages and backgrounds have come from all over the world to be a part of a hands-on experience, working with the poor, and living in an intentional Christian community.

Person overseeing internship:

Micah Munding, main group host and coordinator

Specific Duties and Responsibilities:

Any or all of the following

Coordinating/Communication with service project leaders

Hosting groups in service projects and outings which can include:

Preparing/serving meals at CCO

Organizing/serving in food pantries

Moving/painting

Other projects as needed

Cleaning/organizing food and clothing donations at CCO

Serving low-income senior citizens

Maintaining and preparing group housing between groups

Qualifications:

Some skills/background required in all the following categories:

Organization

Verbal communication

Leadership

Additional Information:

You are required a week of prep in both JPUSA service and CCO service before helping to host groups. You are encouraged to participate with the visiting groups as much as possible, even when you are not leading them in service projects (this includes playing and hosting games and joining in meal times and outings). If some of these times conflict with other intern activities please be in communication with both Micah and the intern host.

The Spring Break Internship dates are Feb. 18th-Mar. 31st and the Summer Internship dates are May 18th- Aug. 30th.
