

NINE 3 NINE

C R E A T I V E

nine3nine Creative Intern Requirements

Department:

Nine3Nine Creative, a web development and graphic design business.

Overview:

We are a web and graphic design company with over 15 years of experience. Based out of Chicago, IL, we provide high quality work in a timely manner. We build superior web sites customized to meet clients needs and offer a full range of graphic design services.

Person overseeing Internship:

Scott Stahnke, General Manager of Nine3Nine Creative

Specific Duties and Responsibilities:

Any or all of the following:

- Web development (coding and programming)
- Graphic design of web sites and other graphic design services as needed.
- Sign making of vinyl signs
- Installation and management of Wordpress websites
- Copy editing and content management
- Supporting work in large scale web based applications

Qualifications:

- Some skill required in some of the following:
- Html and css (required)
- Php
- Mysql
- Javascript/jquery
- Adobe Photoshop
- Adobe Illustrator
- Adobe Dreamweaver or similar web development software

Additional Information:

From mobile devices to desktop computers we specialize in building and customizing top quality websites. Applicants do not need to be qualified in all stated areas. We are primarily interested in computer science and graphic design majors who are able to apply their specific skill set as needed in a friendly and productive working environment. Applicants would be expected to work approximately 30 hours a week.
